**BEYOND FRONTIERS:  
GUYANA'S ENERGY STORY**

## **WELCOME TO 2027**

It is with great pride that I welcome you to the sixth edition of the Guyana Energy Conference & Supply Chain Expo, to be held from February 16th to 19th, 2027, at the Guyana Marriott Hotel.

Under the theme "Beyond Frontiers: Guyana's Energy Story," this gathering represents a defining moment in our nation's journey. It is a platform not only to reflect on how far we have come, but to chart the course for where we are headed together.

Beyond Frontiers: Guyana's Energy Story, speaks to the limitless possibilities that lie ahead as we move beyond traditional boundaries. It is an invitation to explore new horizons in energy production, supply chain innovation, and regional integration. Guyana is no longer an emerging player; we are a growing force in the global energy landscape. This conference will showcase how our nation is leveraging its resources, strategic position, and partnerships to write a new chapter, one defined by resilience, sustainability, and shared prosperity.

The 2027 conference will facilitate high-level discussions on energy security, technological advancement, and sustainable development. These are the pillars that will facilitate long-term growth, not only for Guyana but for the wider Caribbean and beyond. We will once again bring together government leaders, industry pioneers, investors, and global experts to exchange ideas, forge partnerships, and shape the strategies that will define the next era of our region's development.

The 2026 conference welcomed over 10,000 participants from more than 40 countries, reinforcing its status as the Caribbean's premier energy and investment forum. For 2027, we aim to build on that momentum, deepening engagement, broadening participation, and ensuring that every conversation leads to meaningful impact.

To our sponsors and exhibitors, your continued support is the backbone of this event. Your presence is more than a showcase of capability; it is a declaration of belief in Guyana's potential and a commitment to being part of its transformation. Whether through thought leadership, innovative solutions, or strategic investment, your contribution is essential to the story we are telling.

I invite you to join us on this exciting journey. Together, we can ensure that Guyana's growth remains inclusive, sustainable, and visionary, setting a standard for what is possible when ambition meets opportunity.

Thank you for your trust and collaboration. I look forward to welcoming you in February 2027 as we move Beyond Frontiers and continue to write Guyana's extraordinary energy story.

# TESTIMONIALS

**GUYANA ENERGY CONFERENCE  
& SUPPLY CHAIN EXPO**

**BEYOND FRONTIERS:  
GUYANA'S ENERGY STORY**

*Guyana's burgeoning oil and gas sector, along with the government's ongoing investment and incentive driven economic diversification, has propelled Guyana as an investor haven. Guyana Energy conference is the premier event to explore, network, and connect with real opportunities and to be a part of our country's development.*

**Hon. Vickram Bharrat, Minister  
of Natural Resources, Guyana**

*The Guyana Energy Conference continues to serve as a vital platform for collaboration, bringing together industry leaders, policymakers and thought leaders to advance the country's energy ambitions. We are proud to support a forum that strengthens partnerships, deepens dialogue and contributes to a sustainable and prosperous future for Guyana and the wider region.*

**Alistair Routledge  
President, ExxonMobil Guyana Limited**

*The Guyana Energy Conference represents the single best annual opportunity to learn about the hugely exciting Guyana energy sector and to meet all of the key players in the Government and the industry. The content is wide ranging, the discussions are stimulating and the entire atmosphere is of an industry rapidly advancing and a country being fundamentally transformed.*

**Dr. Thackwray Driver**

*The Guyana Energy Conference was truly outstanding and exceeded all my expectations, giving me an incredibly rich and deeper understanding of the tremendous opportunities emerging in the region. Over the three days, I connected with an inspiring network of industry leaders and formed valuable relationships that will significantly propel our business forward.*

**Paul Bay -President and Chief Executive Officer,  
Touchstone Exploration**

*The Guyana Energy Conference provides a unique platform gathering the country and region's most important industry, government and community leaders together in a single venue with real debate and unparalleled access to Guyana's government to keep the momentum of the world's fastest growing country.*

**Eric Eyberg-Head Of Global Gas & Power  
Consulting, S&P Global**

*The Guyana Energy Conference and Supply Chain Expo stands as the definitive catalyst where opportunity meets execution—transforming our resource wealth into diversified economic strength. By strategically connecting global capital with local capacity, this platform is not just facilitating investment; it is actively engineering the opportunities that will define Guyana's sustainable and inclusive future.*
